

YE OLDE CAR CLUB YEAR 2014

Ye Olde Car Club of the Tri-Cities was officially chartered in 1963 to preserve and maintain motor vehicles of historical value and to serve as an accurate and technical source of information concerning historical automobiles for the benefit of its members as well as the general public.

Ye Olde Car Club is headquartered in Kennewick, Washington and has members primarily from Southeast Washington, Western Washington, Idaho and Alaska -- over a hundred individuals and families with nearly 400 antique and classic automobiles.

Aside from regular weekly meetings, club members participate in frequent community and social events, driving tours both short and long, and a variety of activities each month. Annual dues are only \$15, with the only membership requirement being an appreciation for historical automobiles.

As an old car club, we are also there to guide you when you decide to buy an old car, help you to restore it, share stories about your car, and provide whatever it takes to see that owning an old car is an enjoyable experience for you! Our club has among it's members a wealth of knowledge about the auto industry that we would love to share with you. Some of our members usually can be found at the 2500 Queensgate Sterlings Restaurant in Richland at 8am on Wednesdays. Come and say "Hi". You'll be surprised at how much fun can be had for only \$15 a year!

ESTABLISHING THE YE OLDE CAR CLUB

Nearly 50 years ago the Ye Olde Car Club was started by Cork Simmelink, Bob Graves, Jerry Durham, and Jim Stafford of TriCities, along with Gil Linden, Dale Henson, and Russ Duffield from the Yakima area. Each of these men shared a passion for antique automobiles and the mutual desire to own, restore, maintain and drive these splendid old machines. Their little group grew quickly as the number of members doubled, and then doubled again. Today the membership in the club includes over one hundred individuals and families. These members bring with them hundreds of classic cars of all vintages. Surely, the founders of the club never expected their creation to attract so much attention. More significant, they could never foresee the special role the club would play as the members passed on an appreciation of the history of automotive technology to the next generation, and watched more and more youngsters recognize the importance of preserving these wonderful old relics.

Another great swap meet, and thank you's go out to all the wonderful volunteers that made this year's swap meet such a great success. Job well done !!! We had 51 members at the swap meet dinner or helping in various sections during the event. Once again Dolores and ladies, out did themselves with a wonderful chili dog dinner. This year we had \$3190 in pre-registration, \$800 at the gate and our donation box netted \$2031.38.

2014 Ye Olde Car Club Scholarship awarded to Victor Sanchez-Zambrano from Auto Body –Tri Tech Skills Center

Victor hopes to attend Walla Walla Community College. He will be the first person in his family to attend college. His whole life he wanted to learn about cars and attend college to become an automotive technician. His family is not able to help pay for the cost of college. He hopes his hard work and effort in school will help him achieve his goal. In the auto body field there are many tools needed to perform good quality work. Tools such as body hammers, dollies, nail gun, paint tools and paint guns. These are needed in order to get hired and be a successful auto body technician. Victor is a second year student at Tri-Tech with experience in Tri-Tech's automotive class and now the auto body repair class. While attending college he plans to work part time at a collision repair shop and after college own his business.

Another great turn out at the Charbonneau Retirement Center with 17 vehicles and 25 members. We had a wonderful luncheon with the residents and enjoyed great conversations with them. Many of the residents viewed and commented on all the wonderful vehicles and expressed their sincere appreciation of the Ye Olde Car Club for bringing them to the center. A couple residents said they would be at Richland Gardens on Thursday, with their family members, to see them again.

The Ye Olde Car Club even take their vehicles to shows in the rain. The wet and wild bunch, visited the Tri-Cities Retirement Inn with 10 vehicles and 12 members. We were treated to our choice of a hot dog or hamburger for lunch. Because of the rain, only a few residents enjoyed viewing the vehicles and talking with us.

What a wonderful day for an ice cream social at the Royal Columbia Retirement Inn. The residents enjoyed the music, root beer floats, viewing our 13 vehicles and visiting with 18 club members. The big winner was Jerry Wells with the resident choice award. Pictured below is Jerry with his mother Louis and activity director Sally Matzick. We're not sure but Jerry might have had a little advantage with his mom living there and his car pictured on the ballot box.

What a fun day for a parade! We had nine members and seven vehicles at the Prosser States Day parade. Beautiful fall day, with sun, light breeze, lots of spectators, and a nice long parade route through downtown Prosser. After the parade, some of us stopped off at Whitstran Brewing for a bite to eat and to relax. All and all it was a great day and lots of fun. Plus we won First Place in the Custom Car Class.

First Place Award: Don Buckles 1947 Ford Super Deluxe Coupe
Door Prize: Dave Donaldson, Bob Gough, & Jack Stone

Big turnout at the La Villa Espresso car show with 16 vehicles and members. The power of a sixteen member voting bloc ensured Don Buckles won first place for the people's choice award. Bob Gough took the first door prize and he won a road side emergency kit. He then gave it to Denny Wellington because it had a set of jumper cables in it.

It's been a wonderful year at Rosy's Ice Cream and Diner this year. The fifth and final sock hop of the year had 14 members and 11 vehicles enjoying the fall weather and great music from DJ Rick Bond, playing old favorites from the 50s and 60s. Christine Jones and all of the members of Rosy's Ice Cream & Diner, thanked the Ye Olde Car Club for their participation and for making the sock hops such a success this year. The general public also thanks the club for bring our magnificent cars and trucks for their viewing. Thanks everyone.

YE OLDE CAR CLUB CENTENARIAN ROBERT (BOB) RUPP

Robert Rupp was delivered by a midwife on December 23, 1914 at the family home located in Southeast Kennewick (27th & Gum). He is a Kennewick High School Alumni (class of 1934) and a member of the First United Methodist Church, Elks, Kiwanis, Footprinters, Prosser Chamber of Commerce, Executive Board of the Washington State Police Chief's, Sheriff's Association and Ye Olde Car Club Board of Directors in 2001.

On September 17, 1939, he married Alice Altrogge and had four children: Christine, Bill, Roger and Bobbi, along with several grand and great grand children.

But he is better known as the oldest living Washington State Trooper. Bob became a Washington State Trooper in 1938 and retired after 35 years of service in 1974 at the age of 60.

But he didn't quit serving law enforcement, a few months later Harry Smith and a couple local farmers talked him into running for the Sheriff's office. Bob was elected and served 3 terms (12 years) as Benton County Sheriff. At age 72, Bob finally finished his 47 years of protecting and serving the citizens of Washington State. He handed over to Jim Kennedy, some of his accomplishments: a new jail, an airplane, a patrol boat, police dogs and an FBI trained SWAT team.

He met and became good friends with President Eisenhower and many Washington State Governors.

In 1949, Bob and Governor Langlie were the first to drive over the replaced “Galloping Gertie” Narrows bridge and in 2007 he and Governor Gregoire were the first to cross it’s replacement.

In 1985 while as Benton County Sheriff, Bob acquired the first “eye in the sky” – a 1973 Cessna Skylane, seized by the Border Patrol agents in an international drug smuggling attempt. The four seater aircraft was used for search and rescue, transporting prisoners, monitoring the region’s periodic, but vast range fires and searching for marijuana crops.

If you Google “Robert Rupp” on the internet, you will find numerous articles and stories about Bob. But you will have missed out on hearing the recounts of his life start hand. Bob is truly a wonderful person and a great asset to the Ye Olde Car Club. You will have a chance to meet and talk with Bob at our Christmas dinner on December 17th from 5:00 to 8:00 pm. At the dinner we will celebrate Bob’s birthday with two large sheet cakes as he is “OUR CLUB CENTENRIAN AND OLDEST LIVING YE OLDE CAR CLUB MEMBER”! Happy birthday Bob and many more.
