MARCH EVENT !!! OREGON TRAIL INTERPRETIVE CENTER SATURDAY, MARCH 27

Our club will celebrate the final arrival of spring by motoring to Baker City, Oregon on 27th. and visiting the center. Some of us have visited the center and it is fantastic.

DETAILS: 160 miles from Tri-Cities. Those who prefer to stay overnight, rates will be between \$30-\$38 per two people or less. We need to have each of you call us so we will know how many rooms to reserve. There are several good restaurants, reasonably priced. We can decide where we will meet once we know how many are going.

There is no charge for the Interpretive Center. You will spend 2-4 hours there depending upon whether you take the hike from the center to where the Oregon Trail traversed through the area.

We will leave Kennewick at approx. 7:00 a.m., stop at Pendleton or LaGrande.

PREZ SAYS

It seemed that winter was going to go on forever but the last few days have given us hope that spring will come! so lets start getting ready to get out and see some new places.

Our joint meeting in Feb. with the Model A & Model T clubs was a great success. It was an informal potluck with great conversation and a slide show by Fred Fraser. Fred had visited a daughter in England and brought back very interesting slides. Thanks Fred.

Cork is organizing a week long tour for June. He has been gathering all kinds of brochures about different points of interest. This is sure to be great fun so get it on your calendars.

We are also considering going to the Ephrata parade early in June. We would leave Friday afternoon, have dinner in Moses Lake, and stay there for the night. On Sat. morning we would drive to Ephrata, participate in the parade, and lunch with the car club at the pioneer village on the east side of town. If you would be interested please call Martha at 582-7530. If there is enough interest, we will make the arrangements.

We would like to encourage anyone who has ideas for a 1 or 2 day tour to get in touch with any member of the committee and share those ideas with us. \$100 per meeting is set aside to help defray expenses.

Remember that the Swap Meet will be coming up on May 1st. Pete Jackson is in charge again this year and will be looking for lots of help. It also would be a good time to do some spring cleaning and see if you have some "good stuff" you would like to sell.

I would like to thank everyone for all of the help I have received. You are all great!

Martha
